

# Clean Corridors Meeting

The Current State of Clean Freight Corridor Planning

November 3<sup>rd</sup>, 4<sup>th</sup> 2016

- ▶ ***The Role of Clean Cities Coalitions and Alternative Fuel Advocates***
- ▶ Presented by: Barry Carr; Landi Renzo USA ; Clean Communities of CNY
- ▶ Email: [bcarr@landiusa.com](mailto:bcarr@landiusa.com)
- ▶ Phone: (315)278-2061

# Primary Focus: East Coast/NE States Leverage Existing, and Plan New Infrastructure

Existing Public Access CNG Stations NE

Existing DC Fast Charge Stations NE

# Big Picture: Current/Future AF Infrastructure

- ▶ 50+ Existing CNG Stations/I-95 and feeder roads, Maine to Miami
- ▶ Add: DC Fast Charge / H2
- ▶ Add: LPG / Biofuels
- ▶ Upgrade for Better Access
- ▶ Include: Idle Reduction  
Currently Approx 15 TSE sites Adjacent to I-95

# How Do We Work Together?

- ▶ Utilize Local Clean Cities Coalitions who Already Work With Major Fleets
- ▶ Engage ALL Alternative Fuels
- ▶ Engage Trade Associations
- ▶ Engage Fleet Managers
- ▶ Engage Government

**U. S. Department of Energy**

# Challenge: How Do We Pay For Clean Corridors?

- ▶ Funding for ZEV States ?
- ▶ Use of CMAQ Funds
- ▶ Innovative Performance Contracts for Alt Fuel Infrastructure & Vehicles
- ▶ Environmental Fines
- ▶ Fossil Fuel Tax Increases?
- ▶ Government Grant Programs
