Partnership Goals & Objectives

- Identify key barriers to alternative fuel corridor development.
- Evaluate needs, priorities, tools and opportunities to implement alternative fuel infrastructure.
- **Increase awareness** on economic and environmental benefits of alternative fuel vehicle (AFV) technologies.
- **Develop a regional strategy** to advance the AFV marketplace.
- Build sustainable partnerships for continued strategic vision and corridor expansion.

Partnership Goals & Objectives "Roll Up Your Sleeves!"

- 1. Introduce yourself to new partners.
- 2. Be engaged and take notes.
- 3. Share your perspective and ideas.
- 4. Don't be shy, ask questions.
- **5. Define actions YOU can take** to support a regional partnership for alternative fuel corridor development.
