

Partnership Goals & Objectives

- **Identify key barriers** to alternative fuel corridor development.
- **Evaluate needs**, priorities, tools and opportunities to implement alternative fuel infrastructure.
- **Increase awareness** on economic and environmental benefits of alternative fuel vehicle (AFV) technologies.
- **Develop a regional strategy** to advance the AFV marketplace.
- **Build sustainable partnerships** for continued strategic vision and corridor expansion.

Partnership Goals & Objectives

“Get Ready to Roll Up Your Sleeves!”

1. **Introduce yourself** to new partners.
2. **Be engaged** and take notes.
3. **Share your perspective** and ideas.
4. **Don't be shy**, ask questions.
5. **Define actions YOU can take** to support a regional partnership for alternative fuel corridor development.
