A Picture is Worth a
Thousand Words...

Building Awareness and Leveraging
Partnerships: Communicating
Availability and Benefits of
Alternative Fuels to Enhance
Corridors

South Central Alternative Fuel
Corridor Convening
April 9, 2019

Illustrating Fuel Availability

FHWA-Designated Compressed Natural Gas Corridors and New Stations

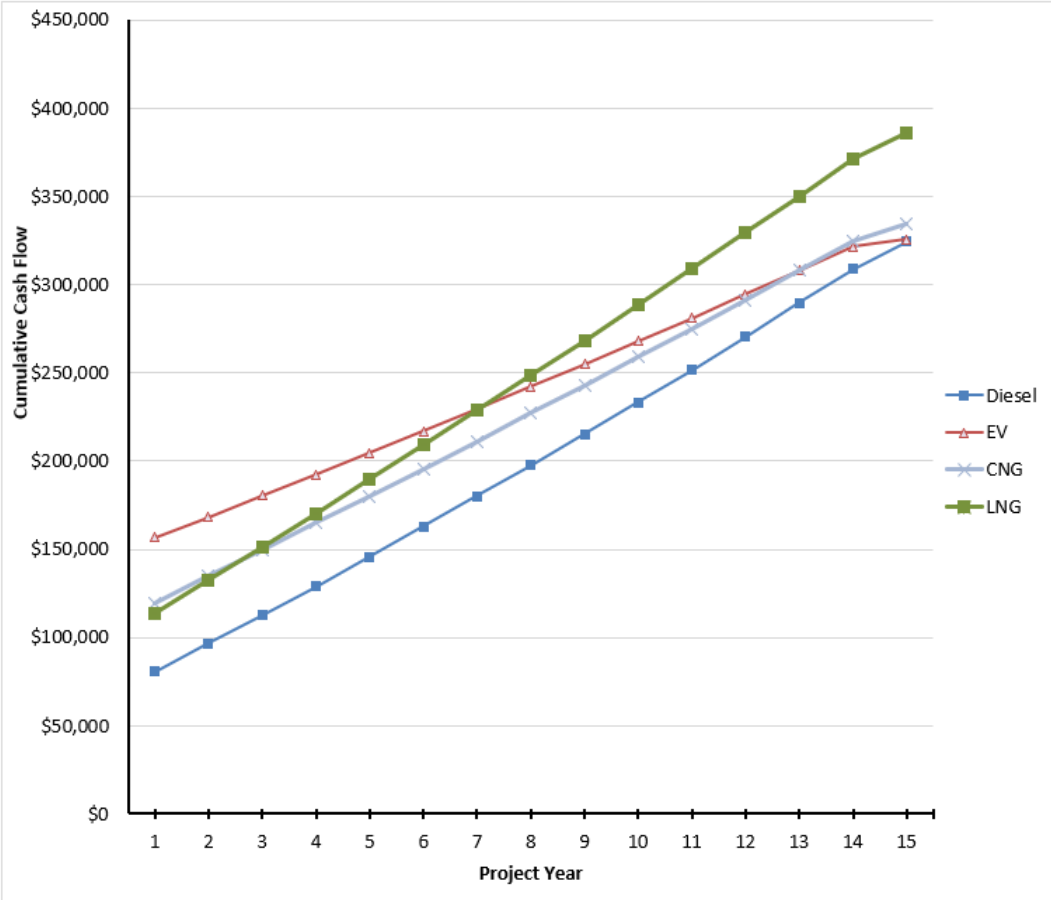

Source: Texas Commission on Environmental Quality Texas Emissions Reduction Plan – Texas Natural Gas Vehicle Grant Program

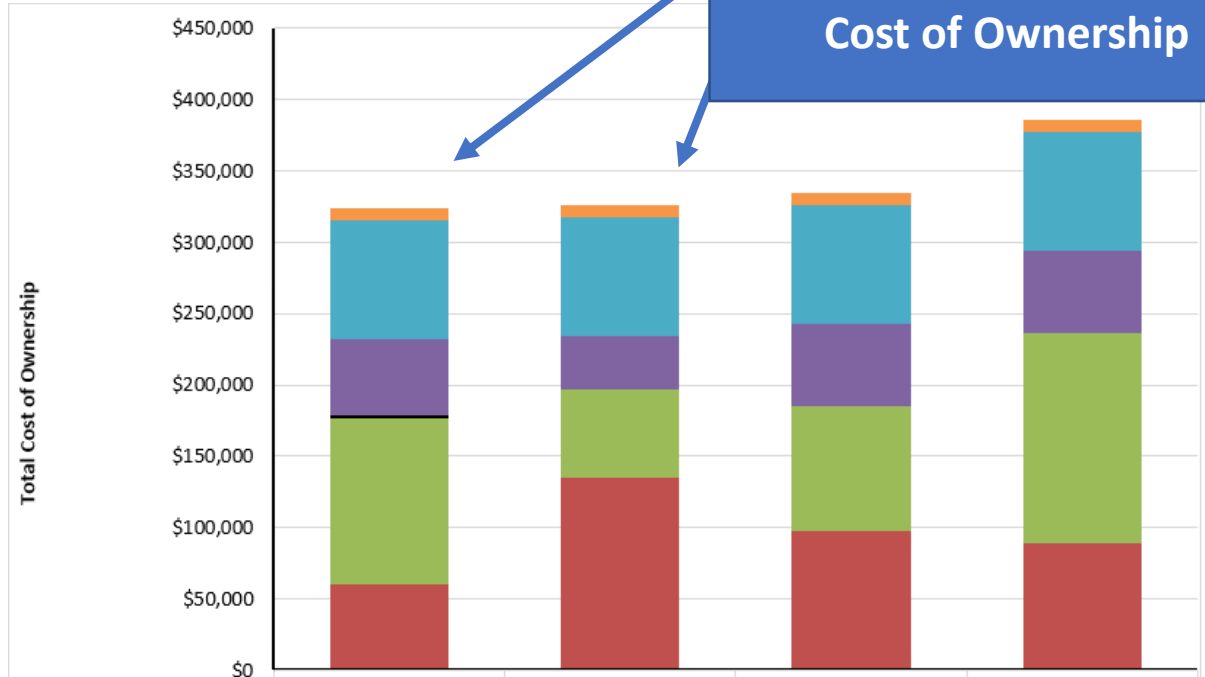

Tools to Demonstrate Economic Benefits

Scenario: Single Unit Short-Haul Truck, Default Inputs, No Incentives

EV Versus Diesel- Although More Than 2x Purchase Price, Has Comparable Total Cost of Ownership

Alternative Fuel Life-cycle Environmental and Economic Transportation (AFLEET) Tool Available at:
