Utah Connects the West Alternative Fuels Corridors

Utah is the trailblazer of an eight (8) state regional Memorandum of Understanding, MOU, leading the planning efforts for the future corridors of the western, northwest and southwest states.

FIRST RESPONDERS

RESPONSE & RESILIENCY

Advanced Fueled Vehicles

- Natural Gas
- Bio-Fuels
- Propane Autogas
- Electric Batteries

Utah Clean Cities Partners with federal, state, city, public and private partnerships to ensure First Responder preparedness with fuels and vehicles across the state.
