

BUILDING AWARENESS & PARTNERSHIPS THE HUNTS POINT CLEAN TRUCK PROGRAM

FHWA Clean Corridor Convening

July 2019

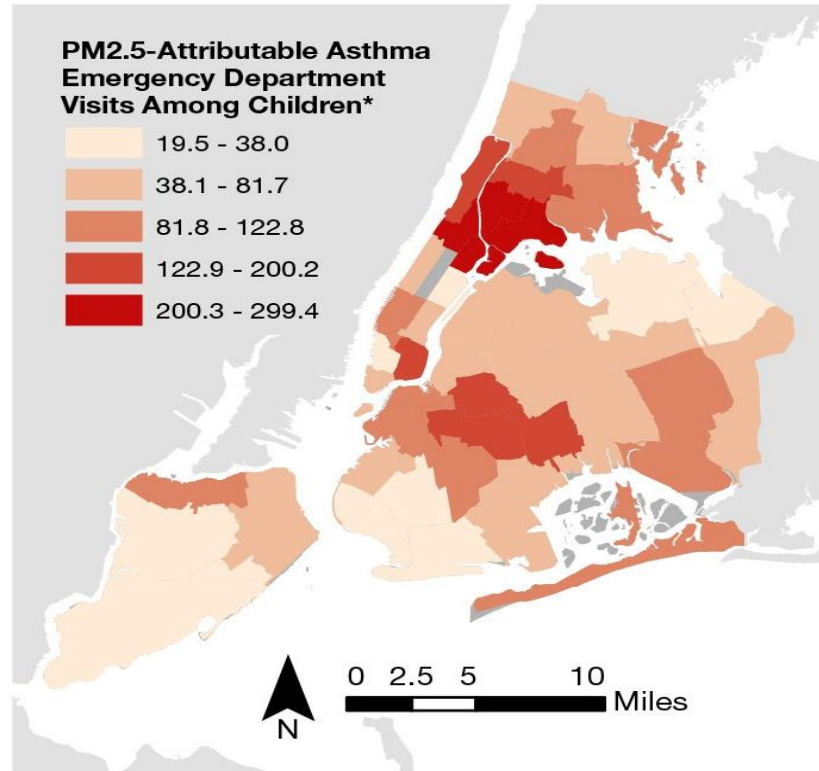

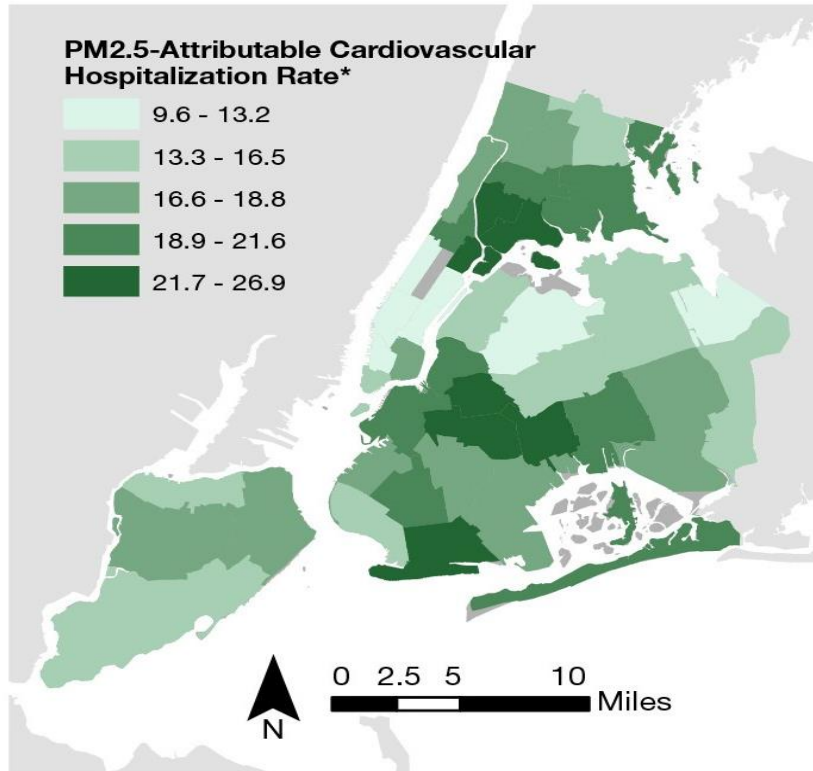

NYC GOVERNING PUBLIC POLICIES

- **City Goal:** NYC committed in 2015 to reduce GHG emissions 80% by 2050 based on 2005 levels
- **Paris Accord:** Mayor committed NYC to Paris climate accord and accelerating the 80 x 50 program

To continue to be a leader in reducing GHG emissions, NYC must aggressively adopt green technology.
